WHY BARCELONA?

ONE OF THE WORLD'S WATER POLO MECCAS

A WATER POLO DESTINATION

Barcelona is one of the world's premier cities for both playing and watching water polo. It has hosted major events such as the 2013 World Championships and the 2018 Europeans.

The city and its surroundings boast over 20 club teams, featuring men's and women's squads across various levels and age groups. Whether you're a passionate player or an enthusiastic spectator, Barcelona offers a vibrant water polo community to explore.

INTERNATIONAL WATER POLO

The Spain men's and women's national water polo teams have been among the strongest in the world, particularly over the past decade.

After becoming World and 3x European champions, the women's team achieved their latest triumph at Paris 2024, where they were crowned Olympic champions. Meanwhile, the men's team secured gold at the 2022 World Championships and added the title of European champions in 2024. Since 2018, they have consistently reached the podium in all major competitions except the last Olympics.

Besides, Barcelona is the home of some of the top club teams in Europe such as CN Atlètic-Barceloneta, CN Sabadell, CN Sant Andreu, CN Mataró, or CN Barcelona.
